

Lizzy- Reconstructed Thoughts Guideline

BACKGROUND

- Put your name on the back of the canvas
- Paint background with black chalk paint
- Pick your colors of paper and tear into pieces, sort by colors
- Draw rainbow lines on dried canvas and mark sections with color of choice
- Glue paper one section at a time gel medium
- **DON'T FORGET THE SIDES..** 😊

LET DRY

- Use the daubers and a cloth to add a top layer of ink onto the entire piece
- Let Dry
- Draw basic outline of bodice and face with a stabilo pencil
- Put a small amount of Teal Golden Fluid Paint onto a small plate and dip bubble wrap into the paint, gently lay it onto the canvas. Gently push down on the bubble wrap to make the impression, let dry

ADDING JOINT COMPOUND TEXTURE

- Pick a stencil of your choice
- Use a scraper and add the compound on top of the stencil. Lift straight off. Let dry

TEAR STRIPS OF COPPER TAPE, crinkle them up and do a trial placement on the canvas

PAINT THE FACE

- Use titan buff and slip slap in the areas of the hair, face and neck. Let dry. Repeat until you get good coverage to your likings.
- Draw the outlines of the face with a stabilo pencil
- Add bits of color to the face using wet on wet technique. Use a flat of angle brush.
- Shade around the shadowy areas under the nose, around the lips, sides of the face.
- Use some of the dauber colors to blend into the hair and make highlights on the face...use the gold dauber
- Deepen the outlines of the eyes, nose lips and ears with a stabile pencil
- Do crazy writing along the eyebrows with a fine tip permanent marker.

WORDS ON THE TEAL BLOBS...outline with a white marker/pen, do a little crazy writing...

DETAILS...

- Make little drops to the with Brass Alcohol ink and a tiny dauber, make earrings or other enhancements with this ink. It dries quickly so you need to work fast
- Glue on copper tape in areas you previously noted. You can also make changes at this point. Use lots of heavy gel medium for this step.

TINTING

- Use alcohol ink pens to add more color to the skin and deepen the shading

MAKING CHANGES

- This is the time you can make changes or adjustments. Think of freckles...or beauty marks, change lip color 😊...etc.

FINAL TOUCH...

- Complete the back by adding a beautiful sheet of 12 x 12 scrapbooking paper.
- Spray seal your painting.
- Add hooks to the back along with a wire...and its complete!!!

THANKS... this has been such a fun class, I hope you enjoyed every bit of this project!
